

Use of Photographs and Videos

Authority to Publish

Dear Parent/Guardian

We are seeking permission to use content created by your child as well as photos or videos that may be taken while your child is involved in Field of Mars Environmental Education Centre programs.

If you sign the permission form below you agree to the following:

1. Field of Mars EEC is able to publish your child's work, photos and videos via the Field of Mars EEC website, as promotional material for centre programs and for use in teacher professional learning activities.
2. The Field of Mars EEC will not use photographs or video for any purpose other than for the general promotion of public education and environmental education centre programs.

This consent, if signed, will remain effective until such time as you advise the EEC otherwise.

We hope that you feel, as we do, that having your child's work, photos or videos published is always a boost for a child's self-esteem. It makes a positive statement about a child's achievements and is seen as part of school life.

Consent Form for Publication of Students' Work, Photos or Videos

I agree, subject to the conditions set out above, to the publishing of work samples, photographs and videos taken or created during Field of Mars EEC programs. I understand that it may be used by the EECs as per guidelines set out above.

I will notify the EECs if I decide to withdraw this consent.

School: _____

Student's name: _____ Student's Class: _____

Signed: _____ Date: _____
