

VEHICLE ACCESS

Field of Mars Reserve

Field of Mars Reserve is on Pittwater Road, East Ryde.

The nearest cross street is High Street (Boronia Park) or Rene Street (East Ryde).

Rigid buses of all sizes can proceed through the green steel gate then along the sealed road to the bus turning area.

The access road beyond the turning area is narrow and unsealed with no suitable areas for turning. It is not suitable for buses.

There is room for two buses to park at the turning area, however please consider the local residents and minimise unnecessary engine noise.

Visitors in cars or minibuses must park in the car park adjacent to Pittwater Road before the green steel gate.

It is a 3 minute walk to the Field of Mars Environmental Education centre along the unsealed access road.

Bus drop off or pick up point is located on the sealed area just after the green gate and before the dirt road begins.

Buses turn and park here.
