

# Treehouse Video Conference

In this video conference lesson ES1 & Stage 1 students will learn about the needs of Australian animals. Students will build a virtual habitat and will go on a safari to find a suitable location for a nest box. During the session a nest box will be magically transported to your school. For additional information, booking links and a complete listing of connected classrooms lessons visit the Field of Mars EEC website. <http://fieldofmarseec.nsw.edu.au/digital-learning/connected-classroom-lessons/>
