

Plugging into Nature: Learning Outside the Classroom with iPads

Teacher Professional Learning

Plugging into nature will explore the use of iPads to support authentic learning outside the four walls of the classroom.

This hands-on course will provide a range of practical ideas and will enable teachers to explore the pedagogy behind the use of mobile technology both inside and outside the classroom. We will focus on ways technology can be used to support cross curriculum priorities and integrated into Board of Studies Syllabus.

Successful completion of this course requires participation in the workshop and follow up activities.

This course will contribute **20 hours** towards BOSTES registered professional development. It addresses the following Professional Teaching Standards 1.2.2, 2.1.2, 2.6.2, 3.2.2, 6.3.2, 7.4.2

Dates: Refer to FoM EEC website for 2016 Dates
