Traditional Wiradjuri Culture Multimodal Book for iPad

This Multi-Touch book for iPads and Macs explores the culture and traditions of the Wiradjuri People. The book includes chapters on shelters, bush resources, tools, weapons and traditional art. Learn about Wiradjuri culture through detailed text, interactive activities, videos, beautiful images and galleries. This book was designed and created by teachers to inspire curiosity and to support the NSW Syllabus for the Australian Curriculum English K-10, Geography K-10 and History K-10.
